John	1829L	1866R	1852L	Susan Pottie (RB)
Peter	1830x	188x	1858R	Margaret Toole (RB)

Parents of Anne McInley were ?

1817: Census of Manchester, Guysborough Co., NS - Jacob Tiboo with wife and one child. Origins 2 Acadian and 1 American. The term Acadian as it applied in this Census, loosely referred to anyone born in what today would be considered the Maritime Provinces not someone of Acadian ancestry.

1824: Land grant for Jacob Chibaut, native of Spain and has two children has lived ten years in this province - 200 acres ¾ mile north of head of River Bourgeois.

Jean Jacques d.1856 age 69

Note: Several sources on the web indicate that Jacob's wife was Anne McKegey and that she was born in 1806 and died in 1839 at L'Ardoise. This is not possible given that their first child was born before 1817 as reported in the Census.

Note for Ann:

The 1891 Census for RB lists her husband John Sheehan age 70 as widowed. Ann probably died sometime in the 1880s. The Church Records for RB are incomplete for that period so it is not possible to narrow down the date at this point.
